Welcome to the 23rd Season of the Sierra Summer Festival of the Performing Arts. We are proud to be able to continue to offer a wide variety of music and talent in our festival program. Although our format has changed throughout the years, we remain committed to providing quality performances and showcasing new talent.

As a non-profit 501(C)3 organization, our donors have continued to generously support our programs, and have enabled the festival to offer a number of FREE concerts for your enjoyment. Ticket revenues, poster sales, donated talent, housing and facilities have also contributed greatly to the success of the festival, both financially and artistically.

This year the Felici Trio will lead the Chamber Ensemble Workshop from July 30th to August 4th. As Mammoth's artists in residence, the Trio will perform the opening concert of the Festival on August 2nd. They will also perform as guest artists with the Eastern Sierra Symphony Orchestra under the direction of Bogidar Avramov. As an affiliate of Cerro Coso College, the orchestra continues to be a source of pride for the residents and visitors of the Eastern Sierra.

We thank you for your continued support of the Sierra Summer Festival, and hope that you will enjoy this years programming.
